Welcome to our 'Functional Fun' page! Answers to each issue's puzzles are available on our Web site at www.advanceweb.com/OT. Select "Functional Fun Games" from the "Magazine" drop-down menu on the top left side of the page.

Since this is a new feature, we'd love to have your feedback. Let us know what you think by emailing managing editor Jill Glomstad at jglomstad@merion.com and put "Games Page" in the subject line.

We're also looking for reader contributions for upcoming issues of the magazine. Any type of word game is fair game—crosswords, word searches, jumbles, even sudokus—as long as it has an occupational therapy theme. We'll even pay you \$25 if we publish it! Just send your submissions to ADVANCE for Occupational Therapy Practitioners, Attn: Therapeutic Activities Games, 2900 Horizon Drive, King of Prussia, PA 19406 or e-mail jglomstad@merion.com. Be sure to include your name, address, credentials and a phone number and/or email address. And don't forget a copy of the answers to your puzzle! ■
